One of the only balers in the field designed to bale wet or dry ... and take the weather out of making hay! Vermeer's all-new

504L

504L is the only baler in the field designed to bale wet or dry ... and take the weather out of making hay!

Imagine! The flexibility to bale when you want to bale while increasing the value of your forage product at the same time. Call today! We have more than a decade of silage baling experience under our belts. Get ready to roll regardless of the weather!

*Weight depends on moisture conditions
