

While this has been an MVP year for Mark McGwire and Sammy Sosa, Hooper, Inc. is having a pretty good season as well. You see, to date Hooper has sold 71 combines this year . . . including 12 in September. But why does Hooper sell so many combines every year?

SERVICE

Farmers know Hooper combines are dependable. That's because every combine in stock, new and used, is backed by Hooper's combine specialists. Hooper combine

specialists have the knowledge and experience to make combines run better, longer, and more productively in Eastern field and crop conditions. At Hooper, quality combines are supported by a team of quality combine experts who care about solving your combine problems, and about doing the job right, on-time, the first time.

INVENTORY . . .

Carrying such a large amount of inventory is important for Hooper customers, especially during this time of year. It's time for harvest and if you're looking for a combine, Hooper has it! Call us now!

UPTIME PARTS SUPPORT . . .

Hooper has the ability to get the parts you need as fast as it can possibly be done. Hooper has daily parts depot pickup as well as UPS and overnight delivery to the farm. Hooper also has experienced traveling parts sales personnel, and experienced parts people on the phone to get the right parts fast.
