Delmarva Broiler
ATLANTA, GA.

SEPTEMBER 30, 1998
DELMARVA BROILER/FRYER MARKET. FEDERAL-STATE

Movement of ready-to-cook whole birds was light and unaggressive. Seller offerings remained readily available and were slow in clearing on the 3 pound and heavier sizes; lighter weights were in fairly good balance. Live supplies were mostly moderate; weights were desirable to heavy. Processing schedules were moderate to heavy. Less than trucklot asking prices were unchanged at 62 to 76 cents. Trade sentiment was weak. In the parts complex breast items were in excess and difficult to place. Leg items were fully sufficient for current inquiry. Wings were available and competitively priced to stimulate buyers interest.

ESTIMATED SLAUGHTER OF BROILER/FRYERS IN DELMARVA (000)

North Atlantic Shell Eggs
October 1, 1998
Atlanta, Ga.

In New England, prices for extra large were two cents lower, and all other prices were unchanged. The market tone was steady. Demand was light to moderate, and was best where features were a factor. Supplies were generally adequate, and jumbos remained occasionally short while brown extra large became more available. Breaking stock supplies were about adequate for the fair demand. Spent hens were sufficient for full slaughter schedules. of spent hens were sufficient for full slaughter schedules.
