GM Parts We want your business.

Kodiak Chevy Trucks CAT DIESEL POWER

IN ALUMINUM BODIES EBY BUILDS IT

M.H. Eby custom-builds aluminum truck bodies for the agri-transportation market. Nobody offers more sizes and options in:

- **FLATBED BODIES** - Lengths to 32', choice of 5 widths.
- **GRAIN BODIES** - Lengths to 24', landscape and general purpose dumps to 12'.
- **LANDSCAPE BODIES** - Lengths to 12', We'll build to your specs!

For greater payload capacity, Eby's aluminum design is equal in strength to steel and up to 40% lighter. Our corrosion-resistant components never need painting. That means minimum maintenance, improved appearance and higher resale value.

Eby products have superior standard features. And we offer customer options for virtually any application. Agriculture is your business - **building bodies to haul it is ours.**

Let EBY custom build one for you.
