Visiting Our Office:

We suggest you call first before you stop at our office to make sure you have directions. We are located closer to Parkman Ohio, rather than West Farmington. We are a mailorder house and therefore we do not have a retail store, as such. (Although you can pick up any item/s we have in this catalog at our office here in Parkman, except nameplates.) Many people stop in looking for the 'big store'; and there isn't any. We found out over the years that we can better serve our customers by being good at what we do - MAILORDER. Our offices are in one end of the warehouse, where we store a large quantity of everything you see in this catalog. This allows us to ship promptly and keep our prices BELOW discount levels.
