Dear Friends and Customers;

October 1, 1998

As we near the end of our 40th year in Mailorder; we pause and realize we have many blessings to be thankful for. We appreciate you as our customer and consider it a privilege to serve you. We thank God for our family and our health. He has been good to us.

We trust that 1998 has been a good year for you; and that you are looking forward to 1999 as an even better year for you and your family. May God give you good health and peace.

As we begin our 41st year in December, we look back over 40 years and are astounded by the changes that have taken place; in our family, as well as in our country, and in our world. I wish everything that has happened has been to the good, however, you and I know that is not always been the case.

It seems like a few short years ago, I wrote a holiday letter similar to this, and remember that we had at that time; four children; for which we have always been grateful. (You have probably talked to everyone of them on the phone at one time or another as this is a family operation.) Today, we have been blessed with those same four children; with four husbands or wives; and 12 grandchildren! When we all gather for a holiday or birthday; we have quite a crowd! We are very thankful for each one.

We are always happy to hear from our customers and learn more about their families, etc., so don't hesitate to let us know how you and yours are doing. We appreciate it!

We hope you'll take the time to look over this catalog and hopefully we have something you like. We pledge that we will always try to satisfy each of our customers, to the best of our ability.

May God Bless each of you and may you have a Merry & Blessed Christmas and a Happy & Healthy 1999!
