**DELMARVA BROILER/FRYER MARKET: FEDERAL/STATE**  
Movement of ready-to-cook whole birds was no better than fair. Seller offerings continued to be more than sufficient for current inquiry. Live supplies were moderate; weights were in a full range of light to heavy. Less than trucklot asking prices were unchanged at 60 to 74 cents. Trade sentiment was no better than steady. In the parts complex, all items were at least adequate for the irregular but mostly light

buying interest.
