**HOOBER MADE THIS DEERE MAN SEE RED**

"I was Green for several years, but Hoover gave me a great deal on a Case 7130 tractor and I loved it. After that, it just kind of snowballed. Another tractor, a combine, a Krause Landsman and a Krause disc. It's because of Hoover's service and the way they treat me that made me switch."

Dee Watson, Smyrna, DE

Dee Watson could never imagine not owning John Deere equipment. But several years ago Dee found himself in need of a tractor. A great deal from Hoover, Inc. on a Case IH 7130 made him decide to try something other than a Deere and things haven't been the same since.

sales staff have turned Watson into a loyal Hoover customer for all his farm machinery needs. "Hoover has great equipment and great service. The guys really know what they're doing. They fix things right the first time. I love the Case and Krause machinery I've gotten from Hoover and I'd never get anything else."

**Grooming Chute**

Finished with a zinc rich undercoat & TGIC polyester powder topcoat

**Advantages:**

- 2 coat finish for added durability.
- Keeps animal's head safely & comfortably in desired position.
- Shipped with 4 bars, allowing optional vertical, horizontal or combination configuration.
- Assembles & disassembles quickly & easily for 1 person handling.
- Expanded metal flooring for superior slip resistance.

**Two Coat Process**

**Added Value With Our 2 Coat Process!**

- 1 Five step metal preparation, including iron phosphate conversion coating, to enhance adhesion & prevent undercoat corrosion
- 2 Zinc rich epoxy powder undercoat
- 3 TGIC polyester powder top coat, baked at 400° to fuse coats, forming a cross link molecular bond
