**Zetor's Low Prices Used To Be
The Quickest Way For Dealers
To Make Sales.**

But Zetor-Power has taken over as the most important selling point. Zetor's up-to-date engineering and heavy cast iron chassis provide a balanced power-to-weight ratio that means a Zetor tractor does more with less horsepower!

Zetor tractors still pull their own weight after 16 years...twice as long as most American tractors.

And all Zetor tractors come with a two year warranty which underscores its worldwide reputation for building quality tractors that last, and more and more farmers are quick to agree.

50 Years • 1946 - 1996

The world's first name for quality farm machinery
