Alley Cat™ Cable Scraper System

YOUR ALL-IN-ONE FARMSTEAD EQUIPMENT SOURCE

J-STAR

INCREASE YOUR MILK PRODUCTION WITH THE DEPENDABLE SCRAPER THAT KEEPS YOUR BARN CLEANER!

A cleaner barn means a healthier, better producing herd. The Alley Cat's proven "V"-shaped blade moves large volumes of manure at a safe 7" per minute in 7' to 14' wide alleys. It automatically folds together for the return route. The system features extra strength long-life 3/8" stainless steel cable for added dependability. Plus its programmable timing feature cleans according to your - and your cows' - schedule. But the real secret to the Alley Cat's reliable performance is in its powerful and efficient drive. The drive system can pull up to eight scraper blades and clean up to 880' of alley length.

Put less wear and tear on your tractor or skid loader, and start saving time and money with the Cable Scraper System that out cleans them all - the Alley Cat
