Raising Expectations

Forget everything you've heard about compact tractors.

MF 1200 Series Tractors and implements perform way beyond their size and price. Precise lawn mowing. Heavy duty weed and brush clearing. Serious gardening. Landscaping. Materials handling. Trenching. Even light field work. These tractors excel at jobs that used to require big, expensive, fuel-thirsty tractors and implements.

Standard features include water-cooled, 3-cylinder, diesel engines, 3 point hitch and high capacity auxiliary hydraulics, and rear PTO. Mid-PTO is also standard on the MF 1205, 1215, 1220 and 1230. Choices include ag or turf tires, and a huge selection of implements and attachments.
