Year to date 0.00"
Normal year to date 39.18"
Growing Degree Days
Season to date 3368

Farming Forecast

Rain and drizzle across the region will provide some relief to the dry spell that has existed since July. A storm along the coast could provide a decent soaking, or perhaps just a few sprinkles, depending on exactly where this storm tracks. Overnight temperatures should generally remain below freezing, with frost possible on most nights. More showers are possible by the end of the week.
