 360.00-500.00.

Gates **Not Just Another Belt!**

SUPER HC® AND SUPER HC® MOLDED NOTCH BELTS are designed for use where conventional V-Belt drives are impractical, where space, weight or sheave limitations are present and where increased horsepower capacity and higher speeds are required.

FEATURES:

- **Gates "Curves"**
Concave sides, Radius Relief and Arched Top combine to minimize wear and assure proper support and strength
- **Full Oil & Heat Resistance**
Special material used throughout the belt provides resistance and also helps resist ozone, sunlight, weather and aging
- **Tough Tensile Members for Extra Strength**
Superior resistance to fatigue and shock loads. Special bonding material surrounding tensile members provides long service without separation
- **Molded Notches Reduce Bending Stress**
Notches are precision engineered for uniform distribution of stresses. Also dissipate the heat of rapid flexing
- **Bandless, Precision Machined Edge for Even Wedging Action**
Precisely machined to exact dimensions for uniform fit and reduction of belt slippage

Gates
 The world's most trusted name in belts and hose.

DEALER INQUIRIES
 Join the leading team in belt marketing today. We are looking for dealers to market this competitive quality belt in new locations. Call Jay Laughman to discuss several dealership options.
