Roundup Ready® and TVP™ are trademarks of Monsanto Company. Dealer listing as of December 15, 1998. Regulatory approval of grain harvested from seed of Roundup Ready corn is pending in certain export markets and may not be received before the 1999 harvest. As a result, the grower may be restricted from introducing the grain into channels of trade where the potential for export exists. In such cases, the grower must be prepared to feed the grain on farm, or sell it in domestic markets only. (1872 rf 12/98) ©1998 Monsanto Company RDY81016
