Oklahoma City Feeder Cattle

Oklahoma City, OK
Wed Mar 10, 1999
USDA-OK Dept Ag Market News
Oklahoma National Stockyards - Weekly Cattle Summary
Compared to last week: Feeder and stocker cattle steady; exception again noted on steers over 900 lbs and heifers over 800 lbs, 1.00-2.00 lower, as they drop back in line with market; storm in the north also limiting outlets for big cattle. Demand good for all classes. General rains of 1/2 to 1 inch fell across the state Sunday night. Good chances for rain again this weekend. Weigh-ups gaunt to average, few full. Quality below last week with full range of plain through attractive, bulk average to attractive. Feeder cattle in medium to moderate wheat flesh with more toward medium than last week. Light cattle mostly stockers and these in thin to medium flesh. Only limited numbers of stockers available with bulk supply feeder cattle off wheat. Slaughter cows firm to 2.00 higher. Slaughter bulls steady to 1.00 higher. Packer demand good as winter storm in the north has curtailed movement of cows to plants. Demand moderate to good for cows returning to the country. Total of 320 cows and bulls sold with 45 percent to packers. Receipts this week 13,200; last week 16,577; last year 9,912. Supply consisted of 80 percent yearlings over 600 lbs; 18 percent calves and short yearlings under 600 lbs; 2 percent cows and bulls. Prices follow with weighted average weight and price in parenthesis.

How Do You Improve On The Best?

In the case of Chore-Time's ULTRAFLO® Cage Feeder, you do it by beefing up the auger wire and extending the product warranty.

Chore-Time's new and improved ULTRAFLO® Cage Feeder uses our exclusive round-wire auger. It is nearly 10% heavier than our original ULTRAFLO®. And that means strength and years more running time for you! We're so confident of it that we've warranted the auger for twice* as long as the old model.

What's more, you still get all the features you valued in the original ULTRAFLO® Feeder. You can still count on unparalleled feed savings, economical operation, and ULTRAFLO's remixing action which eliminates feed separation.

Chore-Time's ULTRAFLO® Cage Feeder—contact us today for more information on how the best just got better!

*Chore-Time's New ULTRAFLO® Cage Feeder Auger has a 10-year prorated warranty
