mega-trac

Fast Food For Dairy Herds

Hanson Silo Company has combined the best of both worlds in the Mega-Trac unloader. The Mega-Trac unique dual auger machine with its **two-motor system** rips smoothly through frozen silage, and does not clog in summer haylage. **Up to three times more capacity** than conventional silo unloaders. During recent winter testing the Mega-Trac delivered 2 tons of frozen haylage per revolution. Now on display at Show-Ease Stall.
