**153 ACRE DAUPHIN COUNTY FARM**

This farm is ideally located at the base of mountain range in Northern Dauphin County near Millersburg. The buildings are set several hundred yards off the main road, creating that perfect Currier & Ives setting everyone dreams about with the mountain as a back drop. The buildings feature a very well maintained brick center hall farm house with 4 large bedrooms and a large country kitchen. The out buildings consist of a 38x40 Bank Barn, 25x42 heated shop and 60x120 Morton pole building used for equipment storage. The majority of 100 tillable acres is gently rolling productive farm land with approximately 12 acres of pasture and 41 acres of woodland. This farm would be ideal for vegetable production with its fertile crop land and abundant water supply for irrigation or it would make a perfect country estate, with its beautiful setting and buildings.
