16 FERTILIZER

FOUR SIMPLE STEPS TO SUCCESS

Step 1
Farm For Profit Step 1
SOIL MANAGEMENT
ACHIEVE
 • Contains nutrients and feeders which aid in sustaining microorganisms in the soil
REMEDY
 • Contains nutrients and micronutrients which aid in sustaining microorganisms in the soil
TANK MIXING
STEP 2 PLANT NUTRITION & STEP 1
 We have found be adding 12 8 oz. of Remedy and a small amount of Achieve per acre to the recommended amount of Farm For Profit Step 2 True Solution Starter Fertilizer and applying directly on the seed or in the seed cradle we got outstanding results

Step 2
Farm For Profit Step 2
PLANT NUTRITION
FARM FOR PROFIT TRUE SOLUTION
STARTER FERTILIZER
 • Near neutral pH
 • 100% available
 • Root zone placement
 • Low salt index
 • Foliar Feeding.
 Farm For Profit has established their own standard for quality Unlike many liquid fertilizers Farm For Profit True Solution Starter Fertilizer is a solution It is not just particles suspended in liquid Each drop contains the exact N-P-K ratio of the standard formulation Farm For Profit liquid fertilizer is consistent and stable and won't settle out It handles easily It can be stored indefinitely When it is applied, it flows evenly and cleanly Farm For Profit True Solution Starter Fertilizer meets our standard for quality

Step 3
Farm For Profit Step 3
VEGETABLE OIL
 1 Encapsulates the chemical
 2 Helps generate uniform droplet size
 3 Greatly reduces chemical evaporation
 4 Reduces chemical drift
 5 Increases the coverage because of its spreading and sticking ability
 6 Reduces chemical wash off
 7 Gives you better control of the chemicals
 One of Farm For Profit's main concerns is the level of soil and water pollution found today Our goal is to remove as much petroleum base material and farm chemical from the soil as possible Farm For Profit Step 3 Vegetable Oil gives us a means to reduce the level of both petroleum base materials and farm chemicals

Step 4
Farm For Profit Step 4
TRAINED FIELD PERSONNEL
 The Farm For Profit Authorized Distributor or Dealer in Your Area Will
 • Explain the total Farm For Profit program to you
 • Explain the best fertilizer program for your operation
 • Suggest ways to improve the efficiency of your chemical program
 • Explain to you what other farmers have been doing to cut their operating expenses while maintaining or increasing their production output
 Farmers Helping Farmers
 That's what Farm For Profit is all about!
