The late Mr. Craig Askins, a retired dairy farmer, began breeding Belgium and Morgan horses in 1973. In the early 1980's, he began seriously collecting horse drawn carnages, wagons and horse drawn farm equipment to show the horses in parades and for various displays in the Powell, Delaware & Worthington areas. In 1989, in recognition of his 60 years of farming, over 500 family and friends gathered at the farm for a grand celebration. Mr. Askins touched the lives of many school children, youth groups and inner-city children by giving hay rides, picnics and sharing his love of horses, carnages, wagons and other collectibles. It is our honor to represent this collection on public auction. Plan now to be with us at the start of the auction on Saturday, June 19th.
