We'll be there for nursery and greenhouse operators... generation after generation.

At Farm Credit, we understand nursery and greenhouse operations. As a cooperative owned by the people who use us, we have served the needs of rural Americans for generations. In fact, for more than 80 years we have been a dependable source of credit to agriculture.

We make loans at competitive interest rates for purchasing greenhouses to nursery stock. Our loan officers are knowledgeable and can help tailor a financial package to fit your situation.

So, whether you are a commercial operator, a part-time farmer or simply like living in the country, we want to do business with you.

And we'll be there for future generations.
