DFA Spurs Industry Support of Dairy Relief Inc., Global Hunger Relief

Today's preoccupation with producing more milk, developing new dairy products and making the bottom line work, sometimes causes us to lose sight of real needs. In February, Dairy Relief Inc. (DRI), a nonprofit organization, was formed to help alleviate world hunger by

providing dairy products for humanitarian aid.

With its first major grant of \$50,000 from Dairy Farmers of America (DFA) and additional support from other dairy and agricultural organizations, DRI immediately began fulfilling its mission of relief here and abroad. Its efforts included:

- Establishing a grant to the Mennonite Central Committee of Akron, Pa., for delivery of nearly 7,500 pounds of nonfat milk powder to schools on the strife-torn West Bank of Palestine;
- Delivering approximately 20,000 pounds of buttermilk powder to

Global Bridges, a Texas-based charity, for shipment to needy North Koreans for bread roll production;

- Shipping more than 39,900 pounds of nonfat dry milk to Honduran hurricane victims. (This DRI donation was made possible with the assistance of the David Livingstone/K.U.R.E. Foundation.)

"We've received contributions from many sources," says Tom Townsend, a retired dairy industry executive who serves as DRI vice president and chief executive officer. "Those contributions, along with matching funds from Dairy Farmers of America, have made it possible for DRI to make product purchases and work with other humanitarian organizations to put dairy products where they are needed most."

To date, DFA has matched more than \$100,000 in contributions and DRI has generated more than \$260,000 for humanitarian relief.

In coming months, DRI will focus on two fronts. "We'll be assembling additional shipments of dairy products and, at the same time, we will be actively seeking new donations," Townsend says. "We plan to reach and exceed our initial fund-raising goals in order to purchase and ship dairy products to hungry and undernourished people around the world. We hope this is only the beginning."

For more information about DRI or to make a tax-deductible contribution, contact Dairy Relief Inc., P.O. Box 1837, Springfield, MO 65801-1837, or talk to your local DFA representative.
