WE DELIVER

Best in the Country

For rough duty, rougher weather: Rugged, practical, cost-efficient Paneldrain® roofing and siding.

Paneldrain is the roofing and siding to use for a strong, tight structure that'll carry you through years of heavy snows, driving rain, and ripping winds.

Wheeling Paneldrain is pure practicality: full-hard, high tensile steel; galvanized for toughness, durability, and rust resistance; with an exclusive drain channel for a snug, dry interior. Handsome appearance, too: bold shadow lines and a choice of rich, baked-on colors.

Wheeling roofing and siding is part of The System™, the most comprehensive, quality integrated manufacturing and paint finishing process in the industry. The best in the country is right here. Stop by.
