

JD 4620, Side Mounted Dual Hyd. - \$6,900

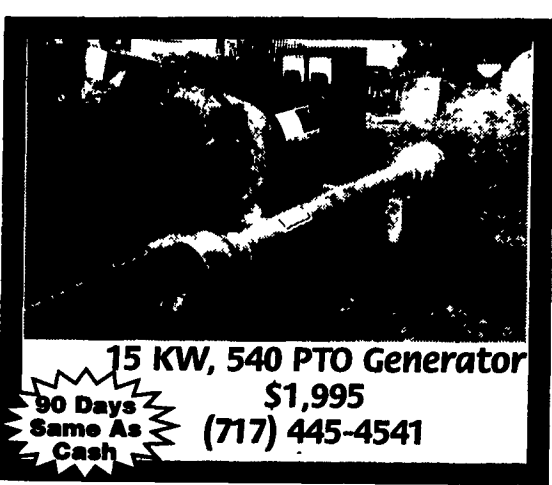

Is your TMR Mixer limiting your ability to reduce feed costs?

The NDE Vertical Mixer cuts and blends whatever you may have available: round bale silage, dry hay bales of any size, cotton seed, distillers grain, cannery by-products, etc. A TRUE TMR not only gives your cows exactly what they need to reach top production, but also allows you to purchase feed stuffs economically, and mix them into a palatable, easily digestible, readily eaten feed.
