

Two jobs, one tool: It's a tedder and a rake

The Model 255 rake tedder is a flexible machine — it's the tedder that also rakes

- Rake a swath into a windrow
- Rake two windrows into one
- Turn windrows for faster drying
- Move crop away from fences or borders
- Ted a 10 1/2-foot area to fluff up wet, matted-down crop for quick drying

And you can change the "255" from one function to another without tools! Stop by for a demonstration
