**Bed your free stalls fast...  
 60 stalls in 60 seconds**

**"It's amazing how fast it is."**  
 Dale Kennedy, Catalpa Farm, Middletown, PA

"The Millcreek Bedding Spreader saves me untold hours of back breaking manual labor installing fresh sawdust in my 125 stalls. Now I use less material and get a more controlled application. The Bedding Spreader is a good equipment value because I use it so often."

Now you can apply fresh wood shavings, sawdust or sand for free stall bedding 75% faster - with just one man. No more shovel, no more backache.

The Millcreek Bedding Spreader puts fresh bedding exactly where you want it. There's nothing like it for fast, efficient and cost-effective application of fresh bedding material in free stall barns.

For example, Scott Coblenz, Deer Spring Farm, Maryland, milks 280 head and uses sand to help improve herd health. It used to take 2 men almost 2 days to install fresh bedding. Now, with the Millcreek Bedding Spreader, one man does the job in hours.

Call today for free information.

Millcreek Bedding Spreaders come in four sizes, from 5.4 to 13.5 cu. yd. capacity
