**ALL GERMAN MADE**

**#70555 DELWEACO Cathedral 4/4 Wall Westminster Chime Clock!**

The long cathedral rods sound very much like the Grandfather or Grandmother hall clock. Do not confuse this clock with those that use the shorter rods, crosswise in the case. Uses the Hermle 351 KEY WIND Westminster Chime movement in a Cherry finish case! The case is hand rubbed for a super sheen. The ivory dial, black, easy to read numbers, and the special pendulum make this a heirloom for the next millennium!

This clock is quite large; 13-3/4 wide x 31-1/2 long! We have had numerous requests for a clock like this and finally decided to bring this one in from Germany.

Traditional key wind, 8 day movement. Chimes every 1/4 hour, plus strikes the hour after the chime are finished chiming on the hour! Color prints available - ask us.

This is an exceptionally NICE looking and NICE sounding clock!

Our THREE YEAR WARRANTY! Retail: \$495.00

Our Discount Price: **\$349.95!**

Solid GERMAN MADE quality!
