Hybrids built to feed.

HYTEST® hybrids are built from proven genetics, innovative research and sound breeding techniques to deliver dual-purpose hybrids for maximum performance on your farm. Growers, livestock producers and dairymen from across the country continually report outstanding yield and performance of highly palatable, high-energy forage from HYTEST seed.

We know your ground, and we deliver highly digestible corn hybrids proven through In Vitro True Digestibility (IVTD) for increased milk and meat production. See your local HYTEST dealer determine which HYTEST hybrids will work best for your needs or call to find the dealer nearest you.
