GIVE'EM HELP WITH PRO-LIX

the profitable liquid feed for your cattle

- They'll give it right back to you, with interest, in:
- Healthier Calves
 - More Economical Production
 - Better Reproduction Performance

PRO-LIX delivers the protein, vitamins and minerals your cattle need-when they need it and in the amounts they need. It increases cattle weight, fosters healthier calves and often helps to produce more calves. PRO-LIX is an extremely smart investment in the beef or milk that produces your profits-all year long

Attention

Dairy, Swine & Poultry Producers!

New Products Now Available...

With the addition of our new soybean processing facility, we now offer these products to meet your nutritional needs. Manufacturing these products ourselves allows us to utilize locally grown soybeans and support our local agricultural community!

GOLDEN PRO 46 XP

This natural, mechanically extruded and expelled soybean product is experiencing great acceptance with local dairymen. A course golden colored meal with a 6% fat content, Golden Pro 46 XP is extremely palatable. Golden Pro 46 XP is a natural way to bring the value of high by-pass protein into diets that require a lower fat level.

GOLDEN MEAL 40

An 18 percent fat content along with a 40 percent crude protein makes this mechanically extruded meal product a valuable component in a variety of rations. Full fat content gives you a high level of digestible energy, while high temperature extruding ruptures the oil cells for better nutritional absorbtions.

CRUDE SOYBEAN OIL

A product of Keystone's expelling process, this oil can be used in a wide variety of on farm applications. A natural alternative to animal fats, this oil provides needed energy in various rations.

To make these products available, and to help you utilize your home raised soybeans
Keystone Mills announces its

Soybean Exchange Program

As manufacturers and distributors of Golden Pro 46 XP and Golden Meal 40, we are anxious for you to try our products. We are offering a soybean exchange program featuring these quality nutritional products
