

# Christian Farmers To Meet In Maryland

**EVERETT NEWSWANGER**  
Editor

WESTMINISTER, Md. - The Fellowship of Christian Farmers thirteenth annual outreach luncheon is scheduled to be held on March 4, 2000, at Wilhelm LTD along Route 140. Starting time is 12 noon with seating to begin at 11:30 a.m.

The special speaker this year is Bobby Griffin, a businessman from Bristol, Virginia. He will share how he was considered "least likely to succeed" when he dropped out of school in ninth grade to join the army. The Lord took hold of his life and changed

everything. His very real experiences of life on his uncle's farm and how God made a difference in his future are all parts of a message you will not want to miss.

Special music will be provided by Kelly Bjorkland who grew Carroll County, and now lives with her husband and four children in Shippensburg, Pennsylvania. Along with dinner by Larry Wilhelm, testimonies, fellowship, and a wonderful message of the gospel will be part of the event.

To purchase tickets for the buffet luncheon at \$8.00 ea., or for more information, call Wilson Lippy at (410 374-2975).

Bobby Griffin

# Historical Barn Talk Canceled

A popular program entitled "The History of the Pennsylvania Barn" which was to have taken place on Saturday, January 30 has been canceled. The cancellation has had to be made because the presenter Robert Ensminger has had to undergo emergency surgery.

The program is sponsored each year by the Lancaster County Departments of Parks and

Recreation. "I know that there are a lot of people who look forward to this program so we want to get the word out," John Gerencser, recreation coordinator said. "However, our thoughts are with Ensminger and we wish for him a speedy recovery."

For information on when this program will be rescheduled, contact the park office at (717) 299-8215.

# POULTRY GUARD™

LITTER AMENDMENT

*New Poultry Guard™ Litter Amendment is a unique activated clay that delivers consistent ammonia control without the handling inconvenience associated with other poultry litter treatments.*

Unlike these other treatments, Poultry Guard Litter Amendment is easy and convenient to apply and needs no incorporation or activation. Fewer application variables mean more consistent performance. In addition, Poultry Guard can be applied up to five days before bird set, whenever it's convenient for the grower.

### Using Poultry Guard Litter Amendment Is As Simple As...

**A**pply

Simply spread over poultry litter.

- No incorporation
- No moisture activation
- No complicated instructions for heating and ventilation in conjunction with application

**B**ird Set

Poultry Guard can be applied when it's most convenient, up to five days before bird set.

- No application timing headaches between clean out and bird set
- No last minute application after equipment has been lowered

**C**ontrol Ammonia

Poultry Guard will deliver immediate and long-term ammonia control and give birds a healthier growing environment.

- No more dangerously high levels of ammonia to stunt growth

**You be the judge! We are confident this litter amendment will improve your poultry and your profits.**
