**LUCK//NOW MIXER FEEDERS "P" SERIES**

Since 1979 **LUCK//NOW** Mixer Feeders have been recognized as one of the most dependable and strongest built mixers in the field.

To enhance its existing line of Mixer Feeders **LUCK//NOW** introduces the "P" Series of Mixer Feeders with six models ranging in size from the Model 300 with a mixing capacity of 310 cubic ft., to the Model 900 with a mixing capacity of 900 cubic ft.

The Large diameter augers in all the "P" Series Mixer feeders are capable of giving the mix required, from rations with well cured, long stemmed legume-type hay, to mixes with green grass, and mixes with silage and commodities. Better milk production, better weight gains and greatly improved animal health are just some of the results of a finely-tuned feed ration.

**0% Financing**

Low Rate Financing or No Payment until August 1, 2000 on C & B's E-Z Flex Financing
