### Four Ways We Deliver More...

- #1 More By-pass, More Milk**  
Toasted Beans offer the consistently higher by-pass protein cows need to make more milk.
- #2 More Production per Protein Unit**  
Toasting provides consistently superior protein release from every bean, without the variations that can tie up amino acids
- #3 More Rumen-Friendly Source**  
Toasting is gentle. Digestibility is improved and energy (oil) is retained inside the bean to minimize impact on rumen environment.
- #4 More of the Taste Cows Love**  
Toasted is Tastier. Cows eat every bean.

### More for your Money.

• Store your beans FREE when you toast them at Weaver's.

• We provide pickup and delivery service for your processed beans and corn.
