AGCO® ENGINE KITS

- Complete overhaul kits
- Quality OEM parts
- Full one-year warranty
- Kits for most applications
- Saves you time and money

AGCO® LUBRICANTS

- Premium Quality
- Custom Additives
- Meet/Exceed OEM specs.
- Protect your warranty.

AGCO® FILTERS

- Our filters are 99% guts
- Designed for heavy duty applications
- Made to OEM specifications

AGCO® TILLAGE TOOLS

- Most types and sizes available
- Full replacement guarantee

AGCO® TorQmaster Clutch

A full 60 degrees of free movement allows for easy hook up. One clutch can be used in many different situations using interchangeable yoke series with common mounting holes. Cast gray iron cooling fins isolate and dissipate heat for longer life.

Lancaster Holstein Club Plans Tour

QUARRYVILLE (Lancaster Co.) - The first stop will be Glen Toctin Farm. The Allen family milks 120 cows in a double-8 Bou-Matic rapid exit parlor. Their current herd average is 23,000 milk, 900 fat, 750 protein. They were the breeders of the popular Glen Toctin Slocum. A highlight in the herd is an 87 point Fatal daughter out of a Celsius. They also dabble in the reds.

Savage-Leigh is the next stop. The Savage family milks 200 cows in a double-8 herringbone parlor. Their current herd average is 26,214 milk, 1,109 fat, 900 protein and is home to numerous All-Americans and Jr. All-Americans. A highlight of the herd is Bellwood Linda, a 92-point Bellwood 3-year-old, nominated All-American and making more than 2,000 fat at 2-10. She is considered by many to be the best Bellwood in the country.

Md-Dun-Loafin is the next stop. The Harrison family milks 100 cows in a flat barn. They have a 26,000 pound herd average and a BAA of 108. They also bred numerous All-American and Jr. All-American animals. Currently their produce of dam sired by Charles is nominated

and will be a highlight of the stop.

The last stop will be Futurland 2020. The Wiles family had developed the Zita family into one of the premier index families in the world. Zita is a 94-point Blackstar with over 2,000 of fat. They have 7 cows in the top 17 CTPI cows in the country. This family should show everyone what the breed is looking for, when it comes to high profile index families.

On the way home, we will be stopping at the Antrim House Restaurant for an all-you-can-eat Seafood Buffet. 'Monsanto was kind enough to buy us all dinner and we sure appreciate it,' Mark Welk, said.

The tour will leave the Farm and Home Center at 7:45 a.m. and return at approximately 8:00 p.m. The cost is \$20.00 per person received by March 4 and \$25.00 after this.

This is a 56-seat coach with video so you can watch the World Dairy Expo show. This is first-come-first-served event. Send checks to Mark E. Welk, 626 St. Catherin Dr., Quarryville, PA 17566. Please have a return address and make checks payable to Lancaster County Holstein Club.

Chester Holstein Club Plans Tour

PARKESBURG (Chester Co.)-The Chester County Holstein Club has planned a tour on March 7, 2000 to York County and part of Maryland. The group will be meeting at the Sam Stoltzfus Farm of Parkesburg at 7:45 a.m. The cost is \$15.00 and you are to bring a packed lunch, supper will be provided.

The tour includes farms such as the Horace Heindel farm, featuring a 200 cow tie stall barn with an evaporated cooling system, the herd average is

25,700 and includes daughters of Celsius, Patron, and a Bellwood with an index of 99 lbs. protein. They also do a lot of contracts and Embryo transfers and also have a few Jerseys and Brown Swiss. The Ed Johnson farm features Polled Holsteins and Polled Red & White Holsteins. They have a gravity water system and keep their 100 cows on bedded pack. About 50% of the herd is polled and they sell around 30 animals for
