

When loved ones enter a nursing home, often they must leave identities behind. And, care givers, knowing little or nothing about those under their care, tend to refer to our parents or grandparents only as patients in

beds 2A or 3B.

Building a shadow box and filling it with mementos of a person's life, could help solve this problem. A shadow box (or a collage) could contain pictures and treasured items from a per-

son's life—travel photos, pictures of pets, samples of needlework or woodwork; a favorite baseball cap. From time to time, the contents could be changed. Not only would nursing home residents enjoy these familiar items, but

care givers, as well as visitors, would find them to be topics of discussion with patients. This is a simple way to improve communication and to increase everyone's satisfaction with a difficult situation.

## Wikers

(Continued from Page B12)

planting, and spraying. About 75 percent of the alfalfa is chopped and harvested as haylage, and 25 percent of the alfalfa is used for hay. About 60-acres of corn is used as silage and 140 acres is sown for grain.

Twelve years ago, a manure storage structure was erected, which has proven to be effective in saving time and labor.

Recently a spring system was developed in the heifer pasture. Wiker said, this allows a larger grazing area and reduces the silting of the spring that feeds into a nearby stream.

The Wikers believe that family time is important. During the slow seasons, Matt or Emily choose an activity for a family fun night. During the planting and harvesting seasons, time scheduling is a bit difficult, but the Wikers try to fit time for family fun into their schedule.

The children are active in 4-H activities. Matt plays baseball, and Emily plays the piano. They also spend some days at a family cabin in Tioga County.

The family is active at the Brethren In Christ Church, Refton, where Lisa teaches a Sunday school class.

The Wiker home is freshly remodeled and each room has many Longaberger baskets used as accent pieces.

When asked what he would like to accomplish in the future, Wiker quickly answered, "More free time."

That's an answer that confirms that Wiker is indeed an ordinary guy — it's a wish that most every farmer desires.

# Dairy Of Distinction Seeks Nice Looking Farms

Del-Jame Farm near Hamburg in Berks County is a 1999 Dairy of Distinction winner. Since the program began in 1987 in Pennsylvania, more than 700 farms have been given this farm beautification award. Entries are now being received for the year 2000 program. Take time to enter your farm now.

STATE COLLEGE (Centre Co.) — Do you take pride in maintaining your dairy farm? Does your farm project an attractive, wholesome image to consumers? If so, the Dairy of Distinction Program of Pennsylvania, New York, New Jersey, and Vermont is looking for you.

The Northeast Dairy Farm Beautification Program that oversees the Distinction program was first started in 1983 in Pennsylvania. The Dairy of Distinction recognize the hard work and dedication of the farmers who maintain attractive farms.

The purpose of the program is to instill a greater sense of confidence in the wholesomeness of dairy products, thus increasing sales.

Farms that apply are judged on the roadside appearance of building, grounds, and surroundings, since this is what our dairy product consumers observe as they drive by the farm.

The cleanliness of the barnyard, feed areas, and manure management are all areas taken into consideration when a team of judges takes a look at your farm from the road. Your milk cooperative or handler will be contacted to approve your milk quality.

Judging is conducted during the month of May. Award winners are announced during local June Dairy Month activities.

### HOW IS YOUR FARM SCORED?

Northeast Dairy Farm Beautification Program Inc.

Awards will be based upon neatness, good maintenance, and other factors that can be controlled by the farmer. Attractive background scenery should not be weighted heavily in judging. All judging observations should be made from a vehicle at one or more points on an adjacent public highway. If the farm is off the road, the judging will take place from the nearest lane. Judging should give equal consideration to old wood construction and new construction of metal or concrete block.

The award program may be used for subsequent advertising or promotion activities for dairy products or dairy farming. Farmers who apply for the award agree that if selected they will cooperate with these promotion activities and make all reasonable efforts to maintain both the exterior and interior of their properties in an acceptable manner.

### HOW THE APPLICATION WORKS

The owner or operator of the dairy farm should sign the application and send it to the Dairy of Distinction state secretary by April 15.

### HOW THE JUDGING WORKS

Judging teams will visit farms during the month of May. Farms will be judged each year as the award is presented on an annual basis. Any dairy failing to maintain appearance standards will be asked to remove their signs. The Dairy of Distinction signs remain the property of the committee, not the property of the dairy farmer. All farms must achieve a compliance score of 90 percent on their Dairy of Distinction score card. Your cooperative or milk handler will be contacted to approve your milk quality.

### RULES FOR THE DAIRY OF DISTINCTION AWARD

- 1) The Dairy of Distinction sign remains property of the Northeast Dairy Farm Beautification Committee.
- 2) The post and bracket shall be supplied by and maintained by the dairy farmer. It is suggested that a wood post 4' x 4' x 12' or iron pipe 2' x 12' can be used. Posts or pipe should be installed and maintained in true vertical position with 8' above ground. Top of the bracket should be lower than six inches from the top of the post.
- 3) Signs shall be displayed in front of the dairy at roadside. An attractive post or bracket, or other frame, shall be used to display the sign. No more than three signs should be displayed from the sign frame or post, and all shall be of a style, general size, and quality comparable to the Dairy of Distinction sign. Sign should be secured on all sides to avoid wind damages.
- 4) Signs shall not be moved to other premises. New owners of a Dairy of Distinction farm must apply to retain the sign
- 5) Replacement of damaged signs is at the committee's discretion.
- 6) No producer shall be charged with scoring or sign expenses.
- 7) Judges' decisions will be final.
- 8) Judging will take place between May 1st and May 31st.
- 9) Farms awarded a Dairy of Distinction sign in previous years will be judged between April 1st and April 30th. If they do not qualify, they will be rejudged between May 1st and May 31st so they have the opportunity to keep the sign.
- 10) Farms that do not requalify will return the sign to their regional Dairy of Distinction committee

ties. To qualify for consideration, you must be actively dairy farming and shipping milk.

Applications are available for Pennsylvania dairy farms from Michael O'Conner, 324 Henning Building, Dept. of Dairy and Animal Science, Penn State University, University Park, PA 16802. Phone: (814) 863-3913.

New York State applications are available from Carol Keene-Ainsille, 3993 Jordonville Road,

Jordonville, NY 13361. Phone: (315) 858-2770.

For New Jersey applications, contact Joy Ricker, 91 Beemer Road, Sussex, NJ 07461. Phone: (973) 875-4803.

For Vermont applications, send to Elisa Clancy, Vermont Department of Agriculture, 16 State Street, Drawer 20, Montpelier, VT 05620-2901. Phone: (802) 828-3835.

All applications must be completed and returned to your re-

spective state secretary by April 15, 2000.

The Dairy of Distinction program is financed in Pennsylvania by dairy farmers through the American Dairy Association & Dairy Council Mid East and the Pennsylvania Dairy Promotion Program in cooperation with many local agribusiness organizations. The program is conducted with advice and help from the Penn State Cooperative Extension.

## Dairy of Distinction 2000 Pennsylvania Application

### PURPOSE OF PROGRAM

Attractive dairy farms give the consumer greater confidence in the wholesomeness of milk and stimulate milk sales which encourages public support for the dairy industry. The award gives recognition to the dairy farmer for maintaining a well-kept farmstead.

### ELIGIBILITY

All Northeast dairy farms producing milk for sale are invited to submit an application for the award. Farms receiving the 10 highest scores in each of the 21 districts will receive an 18" x 24" Dairy of Distinction sign to be displayed in front of their farm.

### APPLICATION

Your Name \_\_\_\_\_ Farm Name \_\_\_\_\_

Mailing Address \_\_\_\_\_

Phone Number \_\_\_\_\_

Cooperative or Handler (where you ship your milk, be specific) \_\_\_\_\_

(Your Handler will be contacted to approve your milk quality)

Location (driving directions for judging team) \_\_\_\_\_

County (where your farm is located) \_\_\_\_\_

I hereby apply to the Northeast Dairy Farm Beautification Committee to have my dairy scored in accordance with the rules of the program for the purpose of obtaining a Dairy of Distinction sign to be displayed on my premises (No producer will be charged for scoring or sign expense)

Signature Owner/Operator \_\_\_\_\_ Date \_\_\_\_\_

Return your application by April 15 to:

✓ PENNSYLVANIA — Michael O'Conner, 324 Henning Building, Dept. of Dairy and Animal Science, Penn State University, University Park, PA 16802

✓ NEW YORK — Carol Keene-Ainsille, 3993 Jordonville Road, Jordonville, NY 13361

✓ NEW JERSEY — Joy Ricker, 91 Beemer Road, Sussex, NJ 07461

✓ VERMONT — Elisa Clancy, Vermont Department of Agriculture, 16 State St., Drawer 20, Montpelier, VT 05620-2901
