

# SPECIALISTS!

There's still time to  
build a Harvestore®  
forage structure for  
this spring!

We build and service Harvestore® structures  
by the book...  
the A.O. Smith Engineered Storage Products "book."  
All original factory-authorized components,  
no "look alike" or "will-fit" parts!

Great selection of  
pre-owned structures  
with generous  
financing terms.

OUR  
36th  
YEAR!

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather or other conditions present at the individual location.
