**ELIMINATE WASTE  
IN YOUR FEED  
BUNKS!**

When utilizing less-than-perfect feeds stuffs, conventional feed wagons allow your cattle to pick and choose what they like, leaving undesirable feed in your bunks. A Vertical TMR Cutter/Mixer/Feeder from New Direction Equipment will cut your bales of hay or silage into a True Total Mixed Ration, FRESH each day, providing a fluffy, easily digestible ration. It eliminates the waste and also eliminates the need for a tub grinder! "Bob" at Interstate Dairy Equipment 800-332-6559 "Myron" at Potomac Valley Supply 301-223-6877
