ELIMINATE WASTE IN YOUR FEED BUNKS!

When utilizing less-than-perfect feeds stuffs, conventional feed wagons allow your cattle to pick and choose what they like, leaving undesirable feed in your bunks. A Vertical TMR Cutter/Mixer/Feeder from New Direction Equipment will cut your bales of hay or silage into a True Total Mixed Ration, FRESH each day, providing a fluffy, easily digestible ration. It eliminates the waste and also eliminates the need for a tub grinder!
