Find the pot of gold.

CABIN FEVER?

If you're sick of winter and still can't get out of the house because of the snow or cold, here are some fun Internet sites to visit. By the way, they're fun even if you live in a warm climate.

Word central. Look up words and develop your own dictionary Try experimenting how words look in Morse Code. You can even send a secret message to friends
<http://www.wordcentral.com>

Foreign bugs and animals. Ever wonder what a bee sounds like in French? How about a gecko in Japanese? Here's the place to find the translations
<http://www.georgetown.edu/cball/animals>

Brain teasers and more. The Afro-American Newspaper Company of Baltimore has a large number of games at its site for kids
<http://www.afroam.org/children/fun/fun.html>

Kid fun. Number games, strategy games, puzzles and more And they're all perfect for ages 4 to 8.
<http://perso.wanadoo.fr/juex.lulu/english.htm>

Travel the world. You may have to travel all over the world to solve a mystery at this site. It's sponsored by the Association for the Promotion and Advancement of Science Education
<http://forensicfiles.bc.sympatico.ca/>

Buried treasure. This site is divided into age sections The 6- to 9-year-old section has games that include finding animals and hunting for buried treasure
<http://www.kidpsych.org/index1.html>

Build your own... Build a rocket or a monster at this site It even includes a belch page where you can listen to a number of different belches
<http://www.gooboworks.com/>

For the whole family. Find card games, puzzles, word games and more at this site for all ages, even adults
<http://www.billsgames.com/>

Rules of the game. Ever wonder what the rules are to games you play in the backyard? This site has the rules to many games—including Dodge Ball, Four Corners and Hot Box And because some games are played differently depending on where you live, there are specific rules for different places around the country
<http://corpcomm.net/~gnieboer/gamehome.htm>

Pig Latin translation. Type in your name, a word or phrase, and hear a man, woman or child say it in Pig Latin
<http://www.bell-labs.com/project/tts/piglatin.html>

Please note: This list only applies to the sites listed, not to any sites that may be linked Web sites change constantly At the time this article was written, these Web addresses worked. Some of the sites may call for software you do not have. You can still look at much of the information on the site, but you may need the software for movies If you do need software, be sure to have your parent(s) read any software agreements before you download it
