

HEARD THE NEWS?

CHANGE! IMPROVEMENT! EFFICIENCY!

At Penn Jersey, we continually seek improvements in bottom unloading to provide efficiency for our customers' equipment. The change in unloader troughs is pictured below. Unloading of forages is dramatically increased with our new version of the unloader trough. Call us about converting your old trough to the new style. You will be pleased with the improvement!

THE OLD

Straight-walled nose

24-in. wide

THE NEW

Widely tapered nose

30-in. wide
