

# New Holland – First in Grassland Farming

## Knock down your biggest fields—FAST

For speed, high-volume capacity, top-quality cutting, and all-day comfort, nothing beats the New Holland Model HW340. It combines New Holland's legendary Speedrower® dependability and top capacity with high-performance Discbine® disc mower-conditioner technology.

- Makes fast work of even the toughest fields—12-disc modular cutterbar makes a wide 15½-foot cut
- Each disc is an independent module—sealed in its own oil and connected by short, hardened alloy drive shafts—for fast, easy, service and repair
- Exclusive 20-inch auger efficiently delivers cut crop into the conditioning rolls
- 102-inch chevron-design intermeshing rubber conditioning rolls condition crop gently and thoroughly
- Power reverser clears plugs fast
- Conditioning rolls can be easily removed when conditioning isn't needed
- Entire disc cutterhead can be removed and replaced with a New Holland 2300 Series sicklebar header in as little as 30 minutes
- 166-hp turbocharged Genesis™ engine provides plenty of power to knock down your biggest fields fast

## 'Silage Special' bales wet or dry

For making 4-ft.-by-5-ft. hay, straw, or silage bales, there's nothing better than the New Holland Model 648 Silage Special. This Roll-Belt™ round baler has everything you need to bale crops your way:

- Bale-Slice™ option (on Fastnet™ models) cuts crop as the bale is formed, making it more dense and easier to feed or grind
- Wide, floating pickup swallows large windrows
- Endless belts—covered by three-year Bonded Protection—provide added durability in tough crops

Ask us about the Model 648 Silage Special today!

NEW HOLLAND

## Fluff 3 windrows in one pass

You'll cover acres fast, and bale or chop sooner with the Model 169 tedder. It uses six rotors to ted a wide 22'8" area. That's wide enough to fluff three windrows from a 9' mower-conditioner. Yet transport width is a narrow 9'8" for easy maneuvering. The frame of the "169" is fully articulated, so it hugs the ground to fluff all of your crop for fast drying. And the Digidrive coupling provides smooth, reliable operation.

Beat the weather with the Model 169. Stop by for details.

## Add up the Super Boom™ advantages

No skid steer compares to a New Holland Super Boom™. Add up the advantages:

- **Superior visibility:** no rear frame towers in your way.
- **Unbeatable stability:** longer wheelbase and lower center of gravity make Super Boom a productive, comfortable, safe machine.
- **Faster speeds:** the fastest ground speeds in the industry for quicker cycle times.
- **Unequaled dump height & reach:** vertical boom lift path makes it the best.
- **Pound for pound, better lift capacity:** Super Boom gives you more lift capacity per pound of total machine weight.
- **The most attachments:** More than 60 attachments available with more coming all the time. Super Boom™ also works with most competitive attachments.
