INTRODUCING the MF 8780 XP Rotary Combine

NO finance charges or payments for six months

The new MF 8780 XP Rotary combine is now available with the 285-hp Cummins Quantum System engine with full-authority electronic controls for higher torque, better governor response, longer maintenance intervals, greater fuel economy, and quieter operation. With a constant-speed rotor control, the largest rotor available, and a simple design, the MF 8780 XP is the leader in harvesting productivity, efficiency and reliability.

Check out the new Driving Force in combines and the special offers that are available right now, including waiver of finance charges and payments for six months, or low-rate financing.*
