Single Axle and Tandem Axle Models - Low Clearance

BINKLEY & HURST BROS. INC. has a Heavy Duty KNIGHT

One day in 1949, a friend told Stan Knight, "I wish someone would make a spreader that would not break down with frozen manure." That challenge to the founder of Knight Manufacturing led to the Knight heavy duty manure spreaders that were soon on the market. The common focus of Knight spreaders to this day is that they are simple and rugged and designed to give many years of service.

Binkley & Hurst Bros. Has One In Stock For You!
