

New Holland - First in Grassland Farming

Knock down your biggest fields—FAST

For speed, high-volume capacity, top-quality cutting, and all-day comfort, nothing beats the New Holland Model HW340. It combines New Holland's legendary Speedrower® dependability and top capacity with high-performance Discbine® disc mower-conditioner technology.

- Makes fast work of even the toughest fields—12-disc modular cutterbar makes a wide 15½-foot cut
- Each disc is an independent module—sealed in its own oil and connected by short, hardened alloy drive shafts—for fast, easy, service and repair
- Exclusive 20-inch auger efficiently delivers cut crop into the conditioning rolls
- 102-inch chevron-design intermeshing rubber conditioning rolls condition crop gently and thoroughly
- Power reverser clears plugs fast
- Conditioning rolls can be easily removed when conditioning isn't needed
- Entire disc cutterhead can be removed and replaced with a New Holland 2300 Series sicklebar header in as little as 30 minutes
- 166-hp turbocharged Genesis™ engine provides plenty of power to knock down your biggest fields fast

4 x 5 perfection

New Holland's Model 648 Roll-Belt™ round baler turns out the best 4-ft.-by-5-ft. bales. The best in density, the best in capacity, and the best in appearance. It's perfect for your operation.

- Roll-Belt design makes uniform bales weighing up to 1,200 lbs.
- Available Bale Command Plus™ monitoring system takes the guesswork out of baling
- Wide pickups are available for large windrows

Ask us about the Model 648 today!

Fluff 3 windrows in one pass

You'll cover acres fast, and bale or chop sooner with the Model 169 tedder. It uses six rotors to ted a wide 22'8" area. That's wide enough to fluff three windrows from a 9' mower-conditioner. Yet transport width is a narrow 9'8" for easy maneuvering. The frame of the "169" is fully articulated, so it hugs the ground to fluff all of your crop for fast drying. And the Digidrive® Coupling provides smooth, reliable operation.

Beat the weather with the Model 169. Stop by for details.

Satisfy Your Need for SPEED

Serious haymakers choose New Holland Discbine® disc mower-conditioners because they save time — mowing time, drying time and service time.

- Fast, clean cutting, even in tough, thick, wet crops.
- Fast drydown from your choice of two superior conditioning systems — chevron-design intermeshing rubber rolls for gentle, thorough conditioning and flail conditioning for extra-fast drydown in grass crops.
- Fast, easy servicing from the most advanced modular cutterbar design available. Individually sealed gear cases and independent drive shafts deliver reliability and peace of mind.
