Big Baler Features

On A Smaller Scale

New Idea® 4844 and 4845 Round Balers.

Want the same features as the larger New Idea round balers? Then check out the big features on the New Idea 4844 (4'x4') and 4845 (4'x5') round balers. Like big balers, an open-throat design gives you efficient hay pickup and faster bale starts. The optional hydraulic-drive pickup maximizes crop flow and gentle crop movement.

The New Idea fixed chamber design creates a dense outer shell around a soft breathable inner core. Wide, endless belts handle leaves and other material gently, so more nutritious leaves end up in the bale.

Visit your AGCO® New Idea dealer today to discover the difference the 4844 and 4845 can make on your baling and on your budget.
