

"KEEP YOUR COOL" THIS SUMMER!

**WE WILL INSPECT AND SERVICE A/C SYSTEMS
FOR ALL TYPES OF FARM EQUIPMENT**

If your tractor is still operating with the old R-12 system, let us modify it to the R-13a standards. Complete replacement of the compressor, receiver-drier, hoses, service fittings, O-rings, lines and expansion valves with R-134a parts will bring your tractor's air-conditioning system back to its original performance level.
