# Take a look at a Lease.

No down payment.	Keep your money working for you where you need it!
Tax deductible.	Your payment is usually 100% tax deductible.
Lower payments.	Since payments are based on use during the lease, not the equipment's whole life, payments are generally lower.
Flexible terms.	Lease terms are custom fit to your situation. Length of lease — set up so you have the equipment during its prime. Payment frequency — monthly, quarterly, semiannually, or yearly, your payments match your cash flow. Purchase option — more choices! Buy the equipment, renew your lease or return it for a newer model.
