

JUNE IS DAIRY MONTH

For generations dairy farmers have helped keep America healthy, and Farm Credit has been there providing credit. In fact, for more than 80 years we have been a dependable source of credit to agriculture.

Our loan officers know the dairy industry and can help tailor a financial package to fit your situation. We offer loans at competitive rates to purchase or construct dairy facilities, purchase dairy cows and equipment as well as for general operating expenses.

So, whether you are a commercial operator, a part-time farmer or simply like living in the country, we want to do business with you.

And we'll be there for future generations.
