Over \$1 Million Dollars In Lot Inventory In Year 2000!!!

Our Utility Tractors are Powerfully Quiet
 It's our customers making all the noise

AS LOW AS 7.49% Finance

At the heart of Kubota's M4700 (42PTOHP) and M5400 (50PTOHP) utility tractors is a low noise, high-powered E-TVCS diesel engine. Designed for optimum efficiency and maneuverability, these tractors are equipped with synchro-shuttle transmission and hydraulic live independent PTO to enhance productivity while cutting hay, landscaping, orchard work and more

With a tight turning radius, 8 F/4 R speeds, semi-flat deck, 3-point hitch and a wide variety of performance-matched implements - plus an attractive price tag - it's no wonder our customers are impressed. Visit your Kubota dealer and see what everyone is talking about
