**Cut faster . . .
 condition better**

For greater maneuverability and higher efficiency, nothing beats the Model 1431 Discbine® disc mower-conditioner from New Holland. It features a 13' cutting width, and operates at high speeds in wet, heavy grass without plugging. Fire anthills and gopher mounds won't stop the new Model 1431 either.

Outstanding features include:

- A center pivot-tongue design
- Independent modular cutterbar with ten small-diameter cutting discs
- 102" wide conditioning rolls
- A full range of vertical and lateral flotation
- A torsion-bar roll-pressure system
- A cutterbar driven from both ends

For maximum harvesting efficiency, check out the Model 1431 Discbine. It's the best in the field

**Rolabar® rakes
 better by far -**

Don't settle for second best when it comes to rakes. Choose the original - a dependable New Holland Rolabar® rake. The rake more farmers buy over all other brands combined. Why? Because its rugged construction makes it one hard-working, hay-grabbing machine.

See the original 258 Rolabar rake today.
