**Take This Job and Shove it!**

*Then pull it, lift it and mow it down!*

Kubota's line of incredibly strong and versatile M-Series performance tractors are ideal for pulling, lifting, shoving, cutting, mowing, hay baling and more! Powered by a multi-valve F-TVCS diesel engine for clean, quiet power, the M6800/M8200/M9000 (681/TO1 HP-90/PTO HP) tractors are equipped with a synchro-shuttle transmission and live hydraulic independent PTO. A superbly balanced chassis sharpens maneuverability and a lower center of gravity greatly increases pulling power. Hanging pedals, easy-to-operate controls, foldable ROPS, deluxe seat and large ISO-mounted operator deck makes any job easy to handle.
