Assistant Superintendent of Dairy Farm

Delaware Valley College seeks an Assistant Superintendent of Dairy Farm.

This is a working management position responsible for assisting the Superintendent with the day to day operations of the dairy including feeding, breeding, milking, assisting with special college events, scheduling and supervising student employees, overseeing college participation in dairy shows, and providing academic support for classroom and laboratory educational programs. BS in Dairy Science preferred; Animal Science or related Agricultural degree will be considered. Valid driver's license, safe driving record, ability to lift and carry up to 50 lbs. and knowledge of computer and record keeping programs required. Send cover letter, resume and names, addresses and telephone numbers of at least three professional references to **Asst. Supt. of Dairy Search, Human Resources Office, Delaware Valley College, 700 E. Butler Ave., Doylestown, PA 18901. EOE.**

SENIOR EXTENSION ASSOCIATE FARM MANAGEMENT

Provide leadership in the development and delivery of extension programming in business management for dairy farmers. Be a part of a multi-disciplinary team of faculty and associates (the Dairy Alliance) whose objective is to increase the competitiveness of Pennsylvania's dairy industry. Must be able to communicate with and assess educational needs of dairy farmers management employees and agribusiness personnel working with dairy farmers, and work closely with extension field staff to help meet these educational needs. Must be able to design and conduct workshops, prepare visuals, printed materials and work with support staff to create web pages oriented to improving business management and profitability for dairy farms. Requires Master's degree or equivalent in Agricultural Economics or related field, plus two years of work-related experience working in farm management the dairy industry or in the extension service at the state, regional or county level. In addition to strong technical skills in farm business analysis and computing and the ability to communicate clearly orally and in writing, the person must have excellent interpersonal skills. Must be a team player, able to meet deadlines and work independently. There will be frequent periods where innovative skills will be needed without supervision. Must be willing to travel. This position is funded for 3 years with possibility of re funding. Send cover letter resume and salary requirements to Employment & Compensation Division, Pos #L-8096, 120 S. Burrows St. University Park, PA 16801 or FAX to (814) 865-3750. Application Deadline September 1 2000 AA/EOE
